## ARTWORK SPECIFICATIONS

APPLICATION	Screen print
SIZE	7.4 × 4.9 cm
PLACEMENT	7.4 × 4.9 cm · Centered chest

Artwork tpack-logo-white is to be applied via screen-print at a finished width of 7.37 cm, scaled proportionally to maintain the original artwork dimensions. Placement is centered on the chest, with the horizontal center of the print aligned to the center front of the garment. Factory must match all colors and details exactly to the supplied artwork file without substitution. A pre-production sample must be submitted for placement and color approval prior to bulk production.
